

Dear Student,

Welcome to Module 1 at Thomas Merton Oakville located at 255 Morden Rd. Our Module 1 classes begin on Wednesday, September 7, 2022 through to Friday, October 21, 2022. Morning classes run from 8:20 a.m. – 11:53 am and afternoon classes run from 12:25 pm – 3:58 pm.

Classes will be delivered in a blended/hybrid format which combines face-to-face learning and remote/on-line learning in a synchronous and asynchronous environment. The face-to-face classes will be Monday – Wednesday and on-line classes Thursday and Friday.

Teachers will use a variety of tools and strategies to support both face-to-face and remote learners. You will be using the Brightspace (D2L) Learning Management System that will contain information and resources relating to your classes as well as Microsoft Teams to support synchronous and asynchronous learning components. Please see the attachments for information regarding logging in and technical support.

If you are new to the Halton Catholic District School Board and to the Thomas Merton Centre, there is a possibility that your Office 365 account, which you will need to access D2L and Microsoft Teams, may not be available to you on the first day of Module 1. In this event, your teachers will be providing you with the materials and resources you will need through your personal e-mail address that you provided at the time of your registration.

The Ministry of Health has created a screening tool to help you if you are feeling ill. You are encouraged to complete the <u>COVID-19 School Screening Tool</u> before leaving home for school each day.

If you are not attending classes, you must call the main office and let us know! 905-849-7555

Should you encounter any problems or difficulty connecting with your courses, teacher contact information is available in the table below for any required assistance. All the best for a successful module!

## How to Log into Your Course:

Please note, Google Chrome and Mozilla Firefox web browsers are strongly recommended. Older versions of Internet Explorer are not supported by D2L.

#### Step 1: Logging into Brightspace (D2L)

To log into Brightspace (D2L), students need to use their Office 365 e-mail that was issued upon registration with the Halton Catholic District School Board. The login account format is:

## firstname.lastname.3digits@students.hcdsb.org.

This is what students will use to log into Brightspace (D2L) plus their password. This is the same password students use to log into their school account.

To log onto Brightspace (D2L), you can use one of two methods:

## Method 1:

• Go to https://hcdsb.elearningontario.ca/d2l/home

• Enter your Office 365 e-mail and password, for example:

## Username: <u>John.Smith.000@students.hcdsb.org</u> Password: 123456000 (The last 3 characters of the password are in the email)

If you do not know your Office 365 e-mail and password, you can get this information from your classroom teacher from the contact information above on the first day of classes.

If your Office 365 e-mail and password are not available for you yet, your teacher will be providing you with resources and materials that you will need until you receive you Office 365 e-mail and password.

- If you lose or forget your password, you can have your password reset by emailing Sonia Ellison (ellisons@hcdsb.org).
- To update your password, visit <u>https://adfs.hcdsb.org/adfs/portal/updatepassword/</u>
- To find your course, click on the waffle 🗱 and search "2223 [your course code]" (e.g. 2223 MBF3C).

• Locate your course by referencing the course code and click on it. This will take you to your Brightspace (D2L) home page.

• This will take you to your Brightspace (D2L) home page.

• Note that your course will not be visible until the first day of the module.

#### Step 2: Logging into Microsoft Teams

To log into Microsoft Teams:

• Once you have signed into D2L, you will see a Navbar with different icons at the top of the page. When accessing the Teams meeting, you want to click on the Teams meeting link icon like the one below:

• After you click on the Teams meeting link icon, another web browser tab will open with the following information:

Open Microsoft Teams? https://teams.microsoft.com wants to open Always allow teams.microsoft.com to oper	
	Open Microsoft Teams Cancel
	Download the Windows app Use the desktop app for the best experience.
How do you want to join your Teams meeting?	Continue on this browser No download or installation required.
	Open your Teams app Already have it? Go right to your meeting.

• You can either continue using the web browser to access the Teams meeting or switch over to the Microsoft Teams App. For the best experience, it is recommended to use the Microsoft Teams App if possible.

# How to Install the Microsoft Teams App

 If you do not have the Microsoft Teams App installed on your device, click on the following link to download it:

https://products.office.com/en-ca/microsoft-teams/download-app

- Click **"Download for desktop"** then download and run the Microsoft Teams installation program. You should not need to change any of the settings or press any buttons. You can also download the Microsoft Teams App on your mobile device.
- Once installation has finished, the following window will appear. Enter your HCDSB Office 365 email address in the field (i.e. John.Smith.000@students.hcdsb.org) and click "Sign in".

Enter your work, school,	Enter your work, school, or Microsoft account.		1		N.

• You will notice another window appear prompting for your HCDSB Office 365 password. Enter your password and click "Sign In".

HALTON
Sign In with your HCDSB username and password
Username
Password
Sign in
You may enter your username in either the domain/username format or UPN format
Examples: -HCDSB/username -email@staff.hodab.org -email@students.hodsb.org
Forgot your password? Reset it here.

• The Microsoft Teams App will then load on your device. You can also check the **calendar** in the Teams App for any invitations to Teams Meetings.

# **Office 365 Home Install Instructions**

- Every student in the board receives 5 downloads of Office 365 for Mac and/or PC!
- All you need to do is go and sign into Office 365 using your HCDSB Office 365 email address. Example: john.smith.000@students.hcdsb.org.
- Once you are logged into Office 365, in the top right corner you will see this box:

• Click on the drop down and select "Office 365 apps". You can then download; run the installer and you are good to go!

# **PLEASE NOTE:**

- Please note that your course will not be available until the first day of summer school, but you will be able to log onto Brightspace (D2L). You can see a variety of supports under "Resources" on the homepage.
- You may wish to view video tutorials on the Brightspace channel on Youtube:

https://www.youtube.com/channel/UCLSxTdOzKAFOCZjXav1aCRQ

• Another useful resource from Brightspace is: <u>https://tinyurl.com/yavkpy36</u>
